# NAVA

## URBAN RETREAT

*NAVA is the personal retreat to escape the hectic pace of everyday life. The elliptical bathtub combines irresistible aesthetics with spatial efficiency. Thanks to its slim design, which is inspired by the construction of a ship's bow, NAVA fits perfectly into urban living concepts. Nowhere else can La Bella Vita be enjoyed so well: the expressive curves offer enough space for a relaxing bath and make the tub an impressive eye-catcher in the bathroom.*
