TAJO

SHIFTING SMOOTHLY

The sunset is spreading its light like a bonfire across the Iberian metropolis at the foot of Tagus, which is finally leading in the Atlantic Ocean after its journey of a thousand kilometers. The magic of Lisbon would only be half as disarming without the impressive waters, which seem to be just as electrifying as the lights of the city in the blue hour. As a homage to this very magic of city, country and river, „TEJO“ by VALLONE® grants any bathroom a scent of the city's flair with its charming flowing forms.
